More Remarks

• Default volume is at 50% status of max volume.

• Play time may vary depending on volume level and music style.

How to charge

• The charger is not included in the package, please charge this speaker via a standard 5V/1A charger or via a PC.

• Charge time should be 3.5 hours. Once the speaker is full charged, the charging indicator will be off.

• The unit does not have power bank function; it is forbidden to charge other device via this unit or to connect other device via the USB port.

• To protect the battery, please do not use the speaker while it is charging.

Warning

• Don't use/store this speaker in extreme temperatures.

• Please store it in cool and dry area, keep away from anything that generates heat, such as radiators, stoves, etc.

• In order to have hearing protection and an extended speaker life, avoid listening to songs on maximum volume.

• When cleaning this speaker, use a soft dry cloth. For more sever stains, please dampen the cloth with water only. Anything else has the chance of dissolving the paint or damaging the plastic.
